**Subject:** I am sorry.

Sir:

I have just got to the editing phase of no less than a legal brief, and two MFRs to defend my career from an improper investigation, reprisal and other horrible events that led me to receive a GOMOR from BG Ferguson on 1JUN.

I was locked out of my email for a morning and was stonewalled and received a second extension within hours which caused my attorney and I to have to stop our hasty preparation work and restart our originally intended approach.

I was initially given 7-10 days to respond for an investigation that the IO did not notify me of the events within it. So I have been immersed in writing over 30 pages of rebuttal oriented content.

I just realized today is the 15<sup>th</sup> and I missed the appointment with the CSM to discuss this situation that should never be allowed to be wrought on one more Soldier ever.

I am sorry. Please let her know, if I don't make my deadline tomorrow, meeting with her would be a moot point. I am so sorry. I wanted and still want to meet with her.

SFC Forbes
