Lieutenant Tolston

and CPT Brockway (copying), these are not necessarily inclusive lists. Congress has been notified and I am in the middle of finishing getting all of the information needed for IG WBR case.

A little clarity would be appreciated.

If it is CPT Korista's investigation of me, my attorney has asked me to request that you write the questions down so that he can review them with me. If it is any of the others, let me know when and where, I have plenty of evidence to provide. His name is CPT Henry Carras (cc line). We may have to reschedule this; again my apologies but the events this morning threw a real monkey wrench into this day.

Thank you.

SFC Forbes
