9 I, Rhea Raczka, WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH

1. On 30NOV22 approximately 1345, SFC Forbes was speaking in an agitated manner to my NCO, SGT Adeguer (Lt Rivera indicated to me that SGT Adeguer may need assistance so I just entered the office SGT Adeguer SFC Forbes was occupying. After offering to help SFC Forbes followed me into my office & demanded, aggressively that I provide him w/ information when I tried to ask SFC Forbes what exact information he needed, he became more angry & aggressive. At that time SFC Forbes also threatened to call USAJOC JAG on myself & demanded I provide him with regulations or policies on what right the BDE CDP has to request his participation in the Staff Development training. He accused me of making him do a behavioral health evaluation and when I attempted to clarify he cut me off; He would not let me explain or answer my questions nor did he instead continued to demand information & accuse me. I felt threatened and had to take a step back from SFC Forbes & in attempt to deescalated, asked if he was mad at me. He responded by yelling multiple "So you're not going to help me?" and then stormed out of my office. My NCO witnessed the event.

9 STATEMENT (Continued)

2. I have heard multiple accounts from victims of SFC Forbes's unprofessionalism but have not witnessed one apart from my personal experience. To note I am the psych doc so I cannot share other ppl. personal experiences without consent.

One experience that my NCO, SGT Aldover, had with SFC Forbes was when SFC Forbes became visibly very angry with my NCO because my NCO wasn't understanding something SFC Forbes was saying. SFC Forbes became visibly angry (red, shaking) and yelled "am I not speaking English?" to my NCO, whose second language is English. Our unit AFLCs were witnesses to the unprofessional interaction.

3. There are numerous incidents in which SFC Forbes has not only treated others with disrespect, but he has acted in a way that consistently demeans others. He makes people feel ashamed, embarrassed, scared. He has actively contributed to ~~a~~ and created a toxic/counterproductive work environment. I personally do not feel safe physically when he is around and fear he will retaliate against people who raise concerns against him. I was initially fearful of making any statements due to his security access & privileges. He has been allowed to act in ways where he is unaccountable for his behaviors and can bully people through his hostility and aggression.
