Subject: Thank you + Qs?

Ma'am

BLUF: Thank you and easy questions, with a personal due-out list.

Thank you for you and your staff member's time last week. I appreciate your understanding as the importance of the issues at hand preempted my rest that day; regrettably, you saw me in some stage of exhaustion. I rested (slept for 12 hours) and met with Mr. Chase Smith the following afternoon after meeting with CSM Munter that morning. I, now, feel like we will get to the bottom of recent events.

Q1: May I get the WBR form to you (at your office) before you arrive on Monday (my personal deadline is Sunday, which is the 10th day since seeing you)? I am working on a detailed timeline and synopsis that will go along with this complaint.

Q2: Same timeline question above with the following: whom do I send the new 1559 to (Mr. Smith or someone in your office)? Is this still necessary?

Q3: Do you have a fillable, digital version of the WBR form? I have the hard copy.

Due-outs:

WBR complaint form.
New 1559 (if necessary)
Synopsis of events in my own words
Timeline for reference

Again, I can't thank you enough. Knowing I was meeting with you the next day while I was experiencing, what I consider to be, an ill-intended CDBHE was comforting as I was being further humiliated and degraded.

Cordially,
