NOTICE OF FILING ADMINISTRATIVE RECORD

Pursuant to Appendix K, ¶ 5, of the Rules of the United States Court of Federal Claims (RCFC), and the Court's March 25, 2025 scheduling order, defendant, the United States, hereby provides notice that it is filing the attached administrative record of the proceedings in this matter. In accordance with Appendix K ¶ 6, the United States and Mr. Forbes have conferred on the contents of the administrative record. In these conversations, Mr. Forbes alerted the United States to the omission of several videos that should be included in the administrative record. Both parties are in possession of the videos. The United States is examining how to best include the videos in the administrative record and, subject to the Court's permission, anticipates delivering physical copies of the videos on a compact disc to the Court, along with a motion to correct the administrative record within the next 7 days. The Government does not anticipate this will delay the schedule outlined in the Court's March 25, 2025 order. The next event in that schedule is the Government's motion for judgement on the administrative record, due on April 23, 2025.
